"Peeping Tom"

9-2-1969. Chapeau, Quebec. TERRIFIED BY UFO

An 18-year-old Allumette Island hotel waitress, Pauline Oulette, and two men watched a UFO from the parking lot of Chez Charles. It was described as a white and red light which flashed then stopped and remained white.

Miss Oulette went to her upstairs room about 4:30 a.m. and saw it again from a window. After about 10 minutes, a small craft left the large one, "came into the yard and went from one window to the other," she said. She was so frightened she spent two hours in the hall.

Bob McLaughlin of Pembroke and John Stott, 16, of Ottawa witnessed the early morning phenomenon also.

Stott said, "I saw this not more than six feet away from me and it was real. There are just no two ways about that."

Stott said the small light made a whirring noise, was green and silver in color and had a three-foot-long antenna protruding from its side.

McLaughlin described the main light as bright red and said it flashed on and off at regular intervals.

UFO sightings were reported within 12 miles of Chapeau May 21, June 5, and July 13. (Ottawa Journal)
