26 Jul 1970 - Luton, United Kingdom (Sun/2340) UFO DESCENDS, HOVERS, THEN ASCENDS

Mrs. A. Bollin, 21 Kingsweston Ave., Shirehampton, Bristol, was visiting friends and was amazed to be awakened by a great brightness shining on her face from the north window. In the sky a huge, bright, orange colored object about the size of a dinner plate was so bright she could not look at it without shielding her eyes. "It seemed as though it was going to crash into the window when suddenly it stopped and remained suspended in the sky for a while, then it finally disappeared in the direction it had come." It made no sound and moved faster than anything she had ever seen. (News)
