CE1

Loud noises, & hovering just  
above ground.

8-12-1970. Rainham, England (Wed/2230). NEAR LANDING

Mr. Richard Jones, 20, of Burwood Gardens was driving on Rainham Road with Pauline Routledge (19) of Newlands Road, Billelicay, when they heard "loud electrical noises" and stopped. An object about 20 feet long and 10 feet wide hovered just above the ground for a few seconds then took off toward Hornchurch. The object glowed red with four white lights along the underside.
