

Internal Meeting 9-28-67

Present Lee, Craig, Saunders, Dodd, Blumen, Levine, Condant, Low, Hunter, Ayer, Roach, Rush, Wadsworth, Altschuler, Ahrens

Law: European Trip

England Flying to see Review - 2 people with (British Organizations; Govt - want reports that people are doing things but none know what - conspiracy) Gordon & Clayton

British Govt - (A. Potts), Director - in intelligence. Reporting channels. Police and Ministry of Defense; Prison d'Etat; Public interest; 63-58 cases, 66-95, 67 - very active. There have been question-answer periods in Parliament

Lack of case. Clean tested Skelton (20 sightings) them, 6 observations of photos cover abt 70% of Lyle, use stereophotography; private organization. Pictures taken so far have been accidental. (The film not yet gotten.)

~~interest~~ People see things in center Moscow: Mergelbom and Sweed: 926 sightings

in Sweden in '46; Swedish military turned it over to Research Inst in 1963; Research Inst does it as a "public service"

Venna - local UFO research group. Hilleck thinks he's explained it - ~~isn't~~ a technology on earth just a step ahead of everyone else. insignia displayed by formation. Research group. Promised to send reports & multicolor pictures. Says European countries consider it nonsense & they use Mergel as reputation.

Hartford Trip

Jim Wadsworth

course gold, Calif followup; way of holding pattern, etc. for refueling operations at Castle AFB. Desc of KC-135 + B-52 exterior lighting.
