

TO Eugene Wilson, acting president

FROM E. U. Condon

EUC

SUBJECT Copyright on UFO report.

DATE July 9, 1969

UNIVERSITY OF COLORADO

*Interdepartmental
Memorandum*

Attached is a page from Newsweek for 7 July.

Is it desirable to write to them pointing out that the UFO report is not a government document, and to assert the impropriety of their snide allusion to the University's "claim" that it has a copyright?

I doubt it, but I thought I ought to call this foolishness to your attention.

EUC

d: I saw the Newsweek story and decided it is best to ignore it.
